

KDIGO 2024 Clinical Practice Guideline for the Evaluation and Management of Chronic Kidney Disease

**Publication of the supplement was sponsored by
Kidney Disease: Improving Global Outcomes (KDIGO).**

This article is published as part of a supplement sponsored by Kidney Disease: Improving Global Outcomes (KDIGO). The opinions or views expressed in this supplement are those of the authors and do not necessarily reflect the opinions or recommendations of the International Society of Nephrology or Elsevier.

Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds, or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made.

To the fullest extent of the law, no responsibility is assumed by the publisher, Kidney Disease: Improving Global Outcomes (KDIGO), nor the International Society of Nephrology for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein.
